

BEAMINSTER PLAYGROUP

ADMISSIONS

AIMS

The Playgroup can take a child from the age of 2 years if a place is available.

Any child from within the town of Beaminster or from the villages of Stoke Abbott, Toller Whelme or Mapperton will be accepted first.

If a place at the time is available, a child from outside the area of Beaminster can be admitted.

We welcome children with special needs who have a Special Education Need or a Disability.

The Playgroup is registered to have 21 children present at any one session.

A Place at our playgroup does not guarantee your child a place at Beaminster St Mary's Academy.

PROCEDURES

A parent can add their child's name to the waiting list at any time.

Under the Equality Act 2010 we can take your child if he/she is not toilet trained.

We encourage all parents to make several visits with their child before they are due to start to get to know the building and staff. (Free of charge)

We welcome parents at our sessions until they feel confident their child has settled and no longer needs them to stay.

We can phone the parent to reassure them that their child is happy and has settled if they have left with their child in tears.
